

### CRR Supplemental Questions

The following questions are specific to projects requesting CRR funds, and are intended to be reviewed in addition SFRB and LCFRB application materials. It is acceptable to reference, summarize, or otherwise refer to information in those materials as long as it is clear how the responses relate to CRR-specific priorities, guiding documents, and additional questions, and cost requirements. CRR Program priorities are identified in the Eligibility section of the [LCFRB Grants Manual](#), Appendix D.

This completed form should be no longer than five pages in length. Instructions should not be deleted.

<b>CRR Program Project Priorities</b>
Describe how this project meets the following CRR Program priorities (answer all that apply):
<i>Directly benefits Upper Cowlitz and/or Cispus spring Chinook populations. Specify which life stages you expect to support through improvements or protection of key habitat types.</i>
<i>Directly benefits Upper Cowlitz and/or Cispus steelhead and coho populations. Specify which life stages you expect to support through improvements or protection of key habitat types.</i>
<i>Directly benefits Tilton salmon and steelhead and/or Upper Cowlitz fall Chinook listed populations. Specify which life stages you expect to support through improvements or protection of key habitat types.</i>
<i>Directly benefits lower Cowlitz basin listed salmon and steelhead populations. Specify which life stages you expect to support through improvements or protection of key habitat types.</i>

<b>CRR Guiding Documents: Habitat Strategy and Assessment</b>
How does this project build upon the <a href="#">LCFRB UCC Habitat Strategy</a> ? Reference specific habitat actions and habitat needs at the landscape unit scale from the strategy report.
How does this project respond, address or incorporate the technical information provided in the <a href="#">Tacoma Power Upper Cowlitz Habitat and Fish Assessments</a> ?

**Additional Questions**

*How does this project assist in or support Tacoma Power's salmon and steelhead reintroduction program in the Upper Cowlitz and Cispus subbasins?*

*How does this project assist in or support gaining further community support for restoration and salmon and steelhead reintroduction in the Upper Cowlitz and Cispus subbasins?*

**Project Cost**

Responses should align with submitted budget worksheet for the application.

*How much are you requesting from other sources? And, what are the funding window for these sources?*

*What is the status of funds or resources requested from other sources?*

*Explain how this project can be scaled or phased if your project only receives CRR funds.*
