

Table 16. Applicant checklist for all CRR applications. CRR applicants also seeking SFRB funds should follow the checklist in Salmon Recovery Grants Manual Appendix C, Table 6, plus the CRR checklist and grant calendar. All components are required at the draft application stage. If items are missing or incomplete by the submittal deadline, applications will be disqualified. Applicants should discuss with LCFRB staff early in the process if they are concerned they will not be able to meet a required application component. Materials can be accessed via the checklist links, or are provided by LCFRB staff.
